Precincts  
and Regions

# Introduction

Interactive dashboards display key data points used to monitor Earth Resources Regulation's operational performance.

You can customise the data and how it appears in the dashboards to suit your needs.

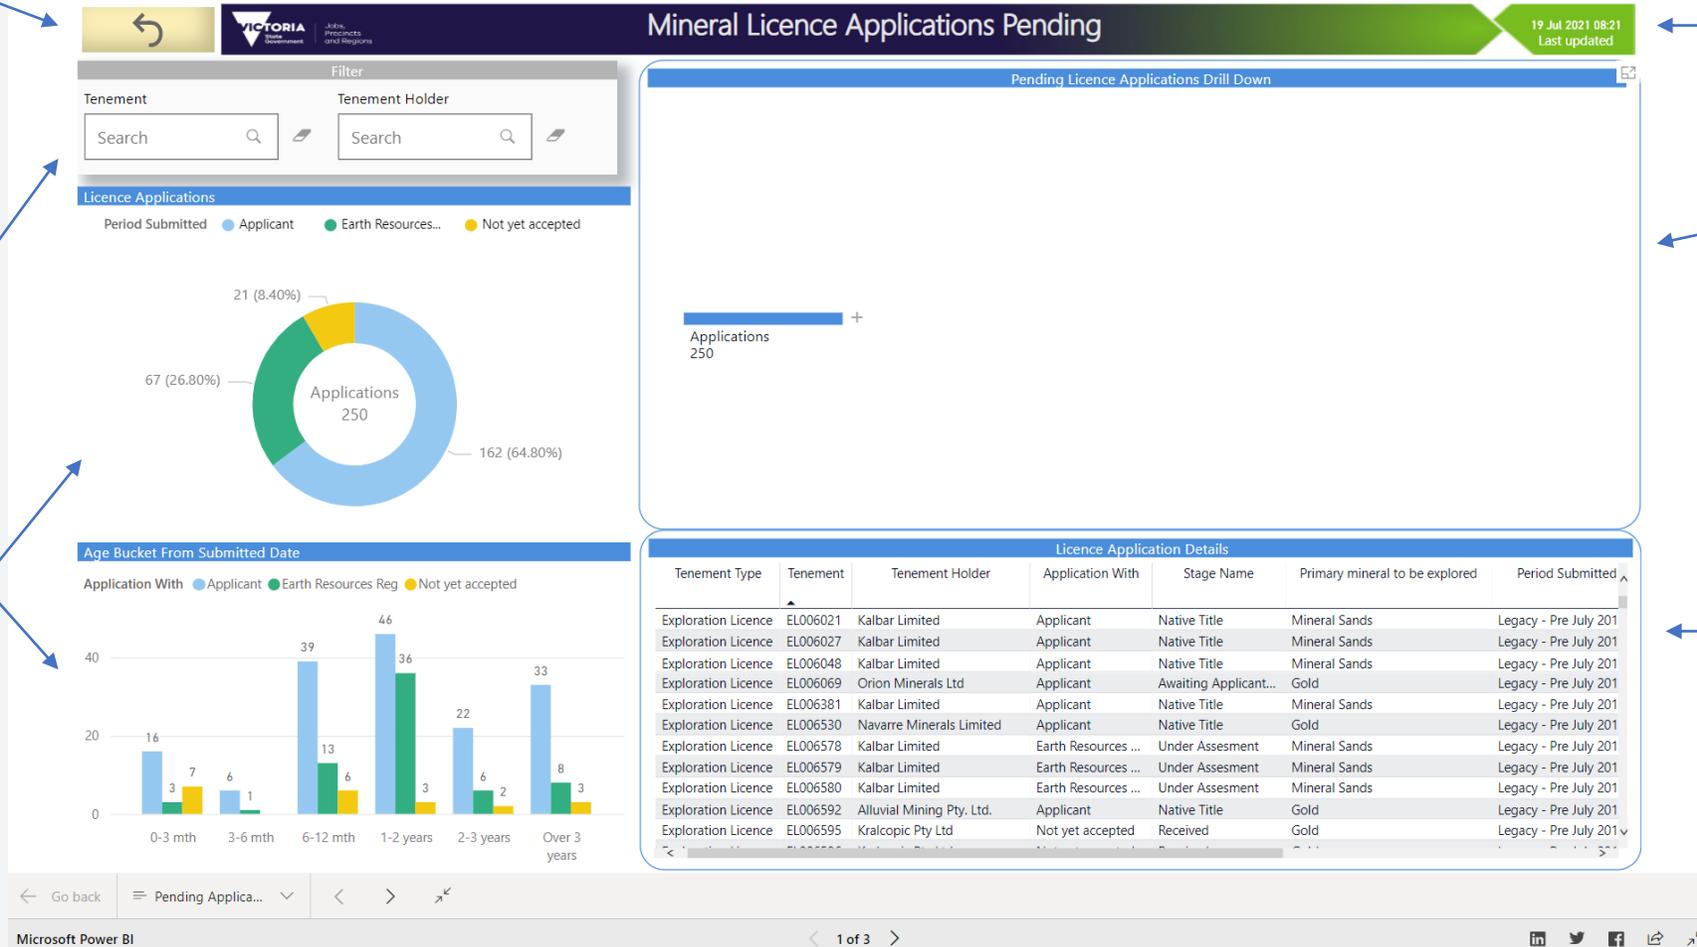

This guide explains the common features and visuals so you can set up and navigate the dashboards.

# Common dashboard features

**Page reset button**  
Resets the page to its original state.

**Filters**  
Input your data to search and display customised data on the page.

**Graph visuals**  
Graphic representation of the data.

**Last updated**  
Shows when the dashboard was last updated.

**Drill down feature**  
Enables you to drill down to various categories by clicking +

**Data table**  
Allows you to sort and display data by clicking column headers.

**Page navigation**  
Navigate to next or previous page.

**Screen mode**  
Toggle to open or close full screen mode.

# Filters

Filters allow you to filter the data so you see only the information you want to see.

## Filter by text

Type the text into the search field. The dashboard displays records containing the text.

The following example shows how to search for a tenement holder by filtering by name.

Type in text and press

# Hierarchy buttons

Hierarchy buttons allow you to drill up and down through some of the data available in the visuals.

Expand one level in the hierarchy, from yearly to quarterly.

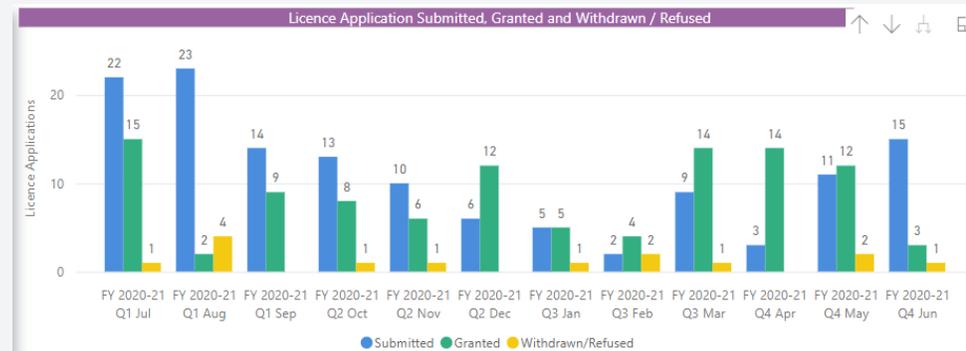

Expand one level in the hierarchy, from quarterly to monthly.

Drill up one level in the hierarchy, from quarterly to yearly.

Drill up one level in the hierarchy, from monthly to quarterly.

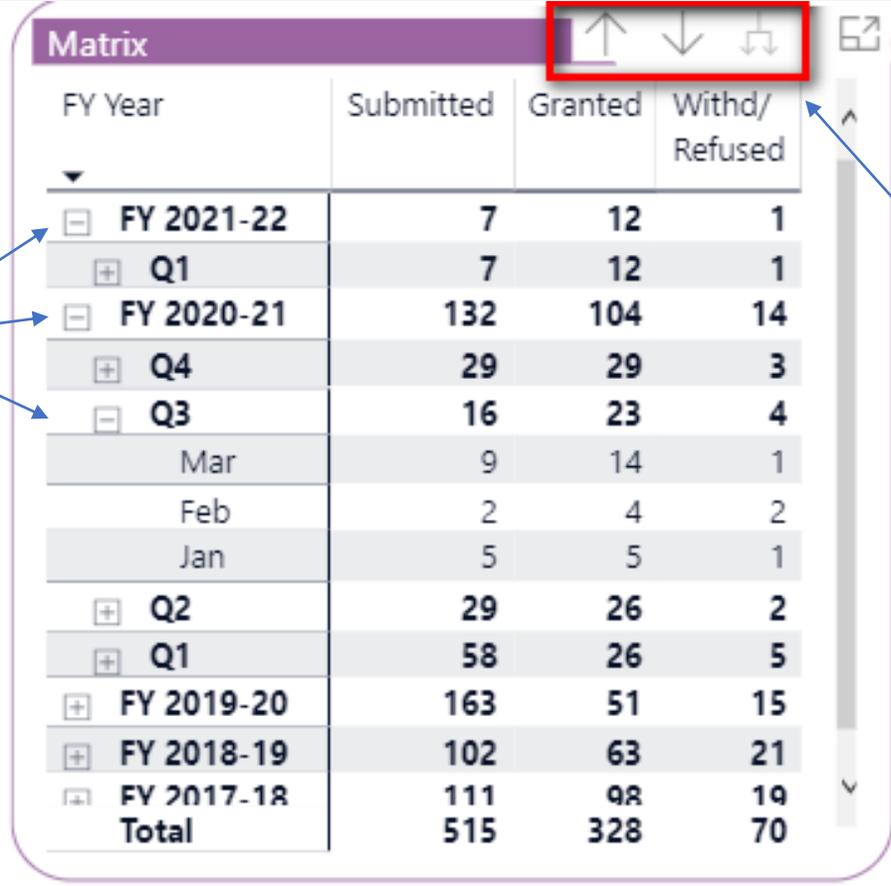

# Matrix

The matrix displays summarised values for each category on each level of the date hierarchy.

Click on the + or – icons to expand or collapse the view between the different levels:

1. Financial Year

# Page navigation

Click on the navigation pane at the bottom of the window to navigate back and forward between the pages or open and close full screen mode.

The screenshot shows a navigation pane with a pop-up menu. The pop-up menu is black with yellow text and contains three items: "Pending Applications", "Submitted and Finalised", and "Glossary". Below the pop-up menu is a navigation bar with the text "Microsoft Power BI" on the left, "1 of 3" in the center with left and right arrows, and social media icons (LinkedIn, Twitter, Facebook, Print, Share) on the right. A blue arrow points from a green-bordered box labeled "Toggle to open and close full screen mode." to the share icon. Another green-bordered box labeled "Navigate the pages by clicking on the arrows or selecting the page from the pop-up list." points to the navigation arrows.

## In full screen mode

The screenshot shows a Microsoft Power BI report in full screen mode. On the left is a bar chart with categories: "No Stage", "0-3 mth", "3-6 mth", "6-12 mth", "1-2 years", "2-3 years", and "Over 3 years". On the right is a table with 7 columns and 6 rows of data. Below the report is a navigation bar with "Microsoft Power BI" on the left, "Pending Variatio..." with a dropdown arrow in the center, "1 of 3" with left and right arrows, and social media icons on the right. Two green-bordered boxes with blue arrows point to the navigation bar: "Page navigation controls" points to the dropdown menu, and "Close full screen" points to the share icon.
